BOTANICAL INGREDIENTS:

Mullein, Lobelia, Siberian Ginseng, Gotu Kola, Hawthorne berries, Cayenne and Ginger

MULLEIN & LOBELIA

The perfect glandular foods.

SIBERIAN GINSENG

Successfully used in the Soviet Union to ease stress in everyday situations and tend endurance to athletes under great strain during training.

GOTU KOLA

Known to stimulate the brain and relieve fatigue when given in small amounts. Wonderful for the functioning of the pituitary in disorders of the adrenal system, when used in conjunction with other herbs.

HAWTHORNE BERRIES

A celebrated cardiac tonic for many centuries. Under conditions of stress, the heart often "works overtime." Hawthorn berries can help in treatment of high or low blood pressure, tachycardia, and arrhythmia. It is also anti-spasmodic, sedative, and soothing to nerves, especially in nervous insomnia.

GINGER ROOT

A stimulant and a 'lead sheep' herb, bringing the other herbs in the formula into the abdominal area. Ginger differs from cayenne as a stimulant, in that the cayenne stimulates the heart, arteries, veins and then the capillaries. Ginger starts its stimulating effect in the capillary, flushing out the "constipated" capillary, driving these wastes into the veins for disposal.

CAYENNE

Nature's finest stimulant; source of calcium and vitamin A. Aids in circulation of blood which brings oxygen and other nutriments to cells in need of repair.

HOW IT WORKS

As this formula corrects any imbalance in the adrenal gland it also compensates for any stress placed on the heart.

DOSAGE

Two to four droppers-full (1/2 – 1 tsp.) three times daily-6 days each week
