## Formulae

Ginkgo Leaf, Rosemary Leaf, Cayenne Peppers, Calamus, Kola Nut, Gotu Kola Herb

## Therapeutic Action

**Ginkgo Biloba** is famous worldwide for its ability to increase brain circulation and help with the associated diseases.

Ginkgo has been proven effective for depression and other emotional problems. Recent medical discoveries have proven that depression and many mental disorders are rooted in poor brain circulation. The cells of the brain are not nourished and their waste is not being removed, causing congestion, toxemia and poor brain function.

Ginkgo has also been found helpful for hearing and eyesight problems; effective for **tinnitus** (ringing in the ear); **vertigo** (balance problems and dizziness); deafness and other inner ear problems.

This herb is also famous for increasing memory and been used effectively with Alzheimer's disease.

**Rosemary and Cayenne** also promote blood and oxygen circulation to the brain.

Using these herbal supports can help prevent a stroke.

Ginkgo Biloba

Calamus

Rosemary Leaf

Kola Nut
