Formulae

Parsley root, Juniper Berry, Cranberry, Uva Ursa, Corn Silk

Parsley Root

Therapeutic Action

This formula is largely Parsley root, which is a master Diuretic herb. This herb supports the kidneys in eliminating excess fluids from the body. I have noticed that when the kidneys are unable to do the work the person will break out in a sweat and remove the excess fluid through the skin. This formula provides a safe and effective way to rid the body of excess fluid build-up.

Approximately 80% of the body is liquid, and much of this fluid must be pumped, filtered, etc., etc., through the urinary system of the individual. We do not take the best of care of this delicate tract, but through it go lots of irritating and clogging-type materials, i.e., tea, coffee, soft drinks, hard water, alcohol, etc.

Juniper Berries

Dosage

Use 2-4 droppers full (1/2-1 tsp.) 3 times a day.

NOTE: If the condition is serious, hot fomentations of Parsley Root tea can be used over the affected body area.

Uva Ursa

Pricing:

Tinctures: 2oz/\$20 4oz/\$35 16oz/\$105 32oz/\$210 Gallon/\$630
