Therapeutic Action

The herbs in these formulas are famous for their ability to stimulate, cleanse and protect the liver and gall bladder and rid the body of parasites.

Milk Thistle has certain chemicals not only bind to and coat liver cells. These phyto-chemicals not only heal previous liver damage but also protect the liver from future damage. Oregon Grape Root Bark, Gentian Root, Wormwood Leaves and Dandelion Root are all classic bitter liver tonic herbs. These herbs not only stimulate digestion but also stimulate the liver to excrete more bile which in turn cleans both the liver and gall bladder. If you have been exposed to any toxic substances, had constipation, eaten large amounts of animal food or have drunk alcohol or other harmful beverages this formula is for you. It is also beneficial if you have had high cholesterol, blood fats or any family history of liver or gall bladder problems. Many believe that anyone who has cancer or any immune dysfunction had a weak congested liver to begin with. Even if a person had had their gall bladder removed these herbs will still be effective to clean the liver and bile ducts. The Black Walnut hulls, Wormwood and Garlic are strong ANTI-PARASITICAL plants. Parasite infestation is a fact of life. This formula works best if used in conjunction with both intestinal Formula #1 and #2. Use if parasites are suspected or if there has been a history of bowel problems, constipation, eating of animal products, prolonged illness, disease or degeneration.
