Therapeutic Action

Combine this anti-obese aid with the mucusless diet and you have a winner. This is not a crash program for fast loss of weight, but graduated and accurate loss without robbing the body of the needed nutrients like so many fad diets do. This acts as a blood purifier, aids kidneys in relieving excess fluids, feeds the body for relief from nervous tension generally caused by diets, appeases the appetite, feeds the thyroid and other malfunctioning glands and thus gains a healthier state for holding weight control.
